## Wacky Math Puzzles and Games

For 2<sup>nd</sup> & 3<sup>rd</sup> graders

We are bringing back Allan Brimer  
from CW Post's Gifted Program!

Friday, May 12<sup>th</sup>

4:30 – 5:30pm

Manhasset Public Library, 3<sup>rd</sup> floor

Wacky Math is a series of fun, crazy puzzles, games and riddles to stretch math problem solving abilities.

The students explore new ways of solving problems in a fun and challenging puzzle format. The puzzles do not require specific knowledge of the subject beyond a basic grasp of math, while providing variety and excitement to mathematics.
